Academic Learning Skills Workshops

Start the year strong!

Don’t just tell yourself that this quarter will be different from the last, especially if you’re new to UCI or the last one didn’t go well for you. Commit to changing the patterns that kept you from achieving your goals.

Need better study skills? Attend a LARC Academic Learning Skills Workshop. These FREE workshops are 50-minute interactive sessions designed to inspire students to use more effective techniques in a specific skill area.

LARC’s Peer Educators are here to assist!

Need a place to study? Check out the LARC Student Lounge RH 270. The lounge is open when workshops and tutorials aren’t in session.

Need more? Attend peer educator office hours for individualized help. Schedule an appointment today by visiting: https://appointments.due.uci.edu (live on Oct. 2)
